Read the passage and answer the following questions.

The Brave Fire-fighter

In a busy city, there was a brave fire-fighter named Raj who loved his job. One day, he received an emergency call about a fire in a tall building. Without wasting any time, Raj grabbed his gear and rushed to the scene with his team.

When they arrived, thick smoke filled the air, and flames were visible from the windows. Raj quickly assessed the situation and entered the building to rescue those trapped inside. He guided families to safety while ensuring that everyone was out before tackling the fire.

Thanks to Raj's courage and quick thinking, no one was hurt that day, and he was hailed as a hero by the community.
